FOR IMMEDIATE RELEASE  
Wednesday June 1, 2011

## **INDIANA BEACH IS GETTING READY FOR YOU!**

*Amusement Resort Set to Launch 2011 Season with Opening of Adventure Point*

**Monticello, IN** – Indiana Beach Amusement Resort is introducing Adventure Point, a new state of the art adventure experience, on the south end of the park this June.

Adventure Point is Indiana Beach's newest set of attractions and will be joining the Funway Rides and Ideal Beach Waterpark. Adventure Point will be home to a new ropes course, zip lines, rock climbing and the Adventure Point Outfitters shop. Adventure Point is part of a multi-year, multi-million dollar expansion and improvement plan.

The new ropes course will be two levels, the first level will be 12 feet in the air and the second level will be 10 feet above the first level. Four different courses will be available, two on each level. Each course will vary in both difficulty and diversity. The guest using these ropes courses will be strapped in for safety. For those experienced rope course climbers, Indiana Beach will be the first to have a place to safely pass other guests while on the ropes course. Each course will have platforms in between the different obstacles and that will be where the passes can be made. We are very proud to bring our guests this exciting and state of the art ropes course and are in hope that all of our guests who attempt this feat will enjoy themselves.

Also we will be bringing zip lines in locations outlining the park. A zip line consists of a pulley suspended on a steel cable mounted at an incline. The guest will be attached to the pulley and start at the top of the incline and by using gravity will be propelled downwards to the bottom of the cable. As of right now our first zip line will bring the guest from the south entrance of the park across Lake Shafer into the park outside of the hurricane roller coaster. We are still in the works on where the other zip lines will be located around the park and all of our guests will be informed as soon as we make an executive decision.

Our final attraction to Adventure Point is the rock wall. We have 5 different walls that the guests can climb. Each one offers a different surface to climb up; the harder surfaces have less climbing pegs and a more inverted climbing surface. We will also have beginner walls for the more inexperienced crowd, which consist of a smoother surface and more climbing pegs. Also the rock wall will be a do it yourself climb. A licensed belayer will be there to help put the safety harness on but once you start climbing you will be on your own. The ropes holding you on will work on an auto belay hydraulics system. Meaning if you get to the top or just let go, you will be gently let back down to the ground.

June 10 guests will be able to experience the thrills of Adventure Point. Purchase your Indiana Beach Adventure Pass today on line at [www.indianabeach.com](http://www.indianabeach.com) and receive an invitation to an exclusive **Adventure Point Grand Opening Party** with celebrity guest appearances along with food fun and other entertainment. The opening of the Adventure Point Outfitters gift shop will also be on June 10.

Indiana Beach Amusement Resort opened its doors in 1926 as a domesticated beach for swimming and fun and has grown into the largest amusement resort and vacation playground in Indiana. An escape destination enjoyed by nearly three quarters of a million visitors annually. Indiana beach boasts over 40 rides and attractions including games, fine dining, water slides, roller coasters and all of the new adventure point activities.

For more information about Indiana Beach Amusement Park visit [www.indianabeach.com](http://www.indianabeach.com) or call 574-583-4141.

*Indiana Beach Amusement Resort is owned by Morgan RV Resorts which is the Country's largest privately owned RV park corporation with 41 RV Resorts. Our RV parks offer a combination of pools and beaches, premier lake and oceanfront sites, spacious wooded sites, Cable TV, 50 Amp electric, Wi-Fi, the best of activities for all ages, and so much more! Many of our resorts also offer rental accommodations from rustic cabins to deluxe park models. Each resort is run individually in order to ensure that the family-centered environment continues to flourish.*
